Homework Menu

Year 1

Please complete as many of these as you can and post onto Tapestry or bring them into school.

Spring 1
Prehistoric Predators

Writing

Imagine you had a pet dinosaur for a day. Where would you go and what would you do? Write a short story about what you and your pet dinosaur get up to.
Watch this for some inspiration.

Maths

Can you create some dinosaur themed word problems for your teachers and peers to answer. Try to include addition, subtraction, doubling or halving.

Expressive Arts – Design and Technology

Can you create and make a habitat for you favourite dinosaur? For an additional challenge tell us why your dinosaur lives in that habitat and how it is suited for it.

Reading

Can you find a dinosaur book at home or borrow one from the school or local library to read and write a book review about. What did you think of it, what was your favourite part?

Expressive Arts and Design - Design Technology

Can you follow this recipe carefully to create some dinosaur footprint cookies.
https://realfood.tesco.com/recipes/dinosaur-biscuits.html

Computing

Use the search engine 'Kid Rex' to research the following questions.
Which dinosaur was the smallest/tallest/fastest/heaviest?
How tall can a T-Rex get?
Where do dinosaurs live?
Why are dinosaurs extinct?
Are there any dinosaurs left in the world today?

Understanding the world - science

Follow the link to the Natural History museum's website to label and compare a human and dinosaur's skeleton. If you would like to do this in a more creative way, like building a dinosaur skeleton or fossil we would love to see it in school!

Please remember to practice your reading alongside these activities.
