INTRODUCTION

Dear Parents & Carers

We have designed this booklet to help you to order your school uniform with ease, whilst understanding the requirements from the school. Given the current Covid-19 situation, we have added some additional information to try and make it as easy as possible.

We understand how difficult it can be when you are buying Primary school uniform for the first time (or even second or third time) as children's sizes can be so different. With this in mind, we have designed this booklet to help you every step of the way.

If you would like to visit our shop, please click **here** for our latest showroom guidelines.

If you would like to order online, start by watching our **School Uniform Video Guide**, along with our **Uniform Measuring Guide** and **Hints & Tips**.

If you wish to collect your order from our showroom, please click **here**, for important Covid-19 related changes and information about our Click & Collect service.

Finally, click **here** to access your school webshop to order.

We always encourage parents to order as soon as possible to ensure you will have the correct uniform for back to school.

We have a returns policy of 28 days from your purchase to return or exchange your garments. It would be great if you can send returns as soon as possible to help with our stock levels.

We are here to help you get the best fit for school uniform for your child.

If you have any question's please call our friendly customer care team on 01733 394758 or via email at **customerservices@totalclothing.co.uk** who will be happy to advise you.
